Subject: Certificate of Internship Completion

To Whom It May Concern,

This is to certify that Mr. Ali Ismail successfully completed his internship at Camerabotics SARL as a Summer Engineering Intern.

The internship was completed during the period from June 1, 2026 to August 14, 2026. During this period, Mr. Ismail worked Monday through Friday, from 10:00 AM to 6:00 PM, for a total of eight (8) working hours per day.

During his internship, Mr. Ismail worked primarily in the field of **embedded systems engineering**. His duties and responsibilities included:

- Assisting with the development, testing, and debugging of embedded firmware.
- Supporting microcontroller-based systems, peripherals, and communication interfaces.
- Participating in hardware-software integration, electronics testing, and system bring-up activities.
- Assisting with motion-control systems, sensors, actuators, and embedded electronics.
- Preparing technical documentation, reports, and test notes.

Throughout the internship, we were very pleased with Mr. Ismail's performance and impressed by his technical ability, professionalism, willingness to learn, and commitment to the work assigned to him. He demonstrated a strong ability to understand new technical concepts, approach engineering challenges thoughtfully, and apply what he learned in a practical working environment.

We are pleased to confirm the successful completion of his internship and wish him every success in his future academic and professional endeavors.

This certificate is issued at his request as confirmation of the completion of his internship, its duration, working hours, duties, and satisfactory performance.
